CINE-SERIES

October 1ST 2018

THE STEADICAM VOLT IS A HORIZON STABILIZATION SYSTEM THAT ATTACHES DIRECTLY TO THE GIMBAL. AVAILABLE FOR THE STEADICAM M1, ARCHER 2, SHADOW, SHADOW-V, ULTRA2, CLIPPER3, AND GPI PRO SYSTEMS. ALSO AVAILABLE: VOLT 1.5, INCLUDING M1-TYPE GIMBAL FOR SLEDS WITH A 1.5" POST. PROFESSIONAL INSTALLATION IS RECOMMENDED. 15MM LWS RODS ARE REQUIRED ON STAGE FOR SECURE CONTROL BOX MOUNTING.

IMPORTANT NOTE: BEFORE INSTALLATION OF THE STEADICAM VOLT, YOUR SLED MUST BE ABLE TO PERFORM A REPEATABLE 3 SECOND DROP-TIME WITH AN APPROXIMATE STAGE PAYLOAD OF 25LBS/12KG, WITHIN 1-2 DEGREES OF VERTICAL ACCURACY IN ALL DIRECTIONS. IF YOUR SLED CAN NOT REPEAT WITHIN THIS TOLORANCE, REPAIRS OR ADJUSTMENTS WILL BE REQUIRED TO ASSURE OPTIMAL VOLT PERFORMANCE. REQUIRED REPAIRS ARE NOT INCLUDED WITH THE PURCHASE OF THE VOLT UNLESS THE SLED IS UNDER THE STEADICAM WARRANTY PERIOD. 15MM RODS ON 60MM LWS SPACING IS RECOMMENDED FOR CONTROL BOX MOUNTING. SEE ACCESSORY SHEET FOR AVAILABLE MOUNTING OPTIONS. STEADICAM/THE TIFFEN COMPANY LLC, DOES NOT OFFER SERVICE FOR ANY NON-STEADICAM BRAND PRODUCTS.

STEADICAM WARRANTY, INSTALLATION AND SERVICE POLICIES:

Installation of all Volt for Steadicam products is included at no additional charge when installed at the Burbank California Tiffen/Steadicam Technical Center. Customer is responsible for shipping to and from the Tiffen/Steadicam Technical Center. Any required additional repairs to any Steadicam products that are outside the 1 year from purchase warranty window are at additional cost. For Volt products purchased from Authorized Steadicam worldwide dealers, please inquire to that dealer for their installation and service policies. Please see : <http://www.tiffen.com//warranty.html> for additional Tiffen/Steadicam warranty information. Installation of the Volt on non-Steadicam products may void original manufacturers warranty.

Installation of all Volt products on Non Steadicam Products is included at the Tiffen/Steadicam Technical Center in Burbank California, however require a signed waiver from equipment owner acknowledging that any mechanical or electronic issues with non-Steadicam products are not serviceable at Tiffen/Steadicam nor are covered under the Volt warranty. Please see qualification statement of equipment performance before sending the equipment in and address any mechanical or electronic issues beforehand to assure optimal performance once the Volt is installed. Installation by a non-authorized Steadicam dealer or individual may void the Volt warranty. Check with your authorized Steadicam dealer for their individual installation and service policies before purchasing. Tiffen/Steadicam is not responsible for any misformed or damaged sled post that may impair proper operation of the Volt-1.5 Gimbal nor do we offer parts or service for any non Steadicam products.

GPI Pro, GPI Cine-Live are registered trademarks of GPI Pro. Steadicam is a registered trademark of The Tiffen Company LLC

Volt with Padded Fork (ONLY) information: The Volt padded docking fork can be interchanged with certain competitive docking brackets, however there may be clearance issues when rotating the rig while using this combination of Steadicam fork and competitive docking bracket.

Steadicam Volt products warranty: 1 year from original purchase
Please register your Volt @ www.tiffen.com//warranty.html
